Lift UP Your VOICE

A CHURCHWIDE CALL TO PRAYER

Ask of Me, and I will surely give the nations as Your inheritance, and the very ends of the earth as Your possession. Psalm 2:8 (NASB)

The International Mission Board invites you into a year-long prayer emphasis that God will use to move your church to a new level in intercessory prayer.

The power of prayer is amazing. It is the missionaries, obedient to God's call, that ... reap the harvest in reaching a lost world, but the doors are opened and the barriers to the gospel destroyed by the prayers of God's people.

—Jerry Rankin, president, International Mission Board

IGNITE FAITH *and* PASSION in your CHURCH

Could you imagine joining your heart with 1 million believers to become a daily intercessor for worldwide missions? That's our vision! *Lift Up Your Voice* is a holy invitation for your church to join this unprecedented call. We firmly believe that a global harvest is waiting to be ignited by the passionate, persistent intercession of His saints.

Are you ready for God to lead your church into prayer at a new level?

Lift Up Your Voice will:

- Powerfully connect your congregation with missionaries and help them cultivate a compassion for the world's lost.
- Build community among your members as they find new life through daily prayer and overwhelming joy over their partnership in the harvest of souls.
- Help your members develop a stronger daily relationship with Christ.
- Provide an ideal tool for family devotions.

How can you participate? Take the challenge to discover what God is doing across the world by equipping your members with *Voices of the Faithful*. This powerful 366-day devotional will provide daily encouragement and focused direction for personal prayer and worship. It will help them discover a new vision for their role in making a difference in the world. Your church can help ignite a fire that will support an unprecedented harvest of new believers around the world. It is with joy that we invite you to join this chorus of faith.

For love of Jesus, they chose obedience over convenience. My earnest prayer is that once you feel like you know a handful of missionaries personally, your motivation to remember them, pray for them and support them in any of many ways will explode into a full-fledged partnership.

PERSECUTION

JUNE 10

Four questions

"That I may know Him, and the power of His resurrection and the fellowship of His sufferings, being conformed to His death." Philippians 3:10 (NASB)

This was the second group of leaders we had trained in two weeks. The training had been going well even though many of the believers were young: some young in years and some in their faith. A couple of them were only 15 and 16 years old. Some had only been Christians for a few months.

The teaching for the morning was on baptism, and a 15-year-old girl wanted to be baptized. She had been a believer from a young age but had never been immersed.

Four questions are asked during a baptism: (1) Do you believe in Jesus? (2) Has He forgiven your sins? (3) Do you promise to walk with Him always? But there is one more question.

I watched and listened to the father, who would be performing the baptism. Calmly, and with much joy, he asked the first, second and third questions. Then I heard a surprising question. The father asked the fourth question, "When they come into our house and take us away, when they beat us and try to get us to deny Him, will you still follow Jesus?"

There before my eyes, a father was asking his daughter to be willing to be persecuted for her faith in Christ and to be willing to see him persecuted for his faith. With a sense of awe, I prayed that I might be more like them. I think they understood more clearly what the Father felt when He sent His Son to die for us.

—A WORKER IN CHINA

Lord, THANK YOU FOR REMINDING ME THAT MY ABILITY TO KNOW YOU AND THE POWER OF YOUR RESURRECTION IS DEPENDENT ON MY WILLINGNESS TO BE ONE WITH YOU IN SUFFERING AND DEATH. GIVE COURAGE TO THESE CHINESE BELIEVERS AND MULTIPLY THEIR WITNESS. Amen.
